

I have had the privilege of serving alongside Art Lynch as a member of the National Board of Screen Actors Guild for the past three years, and for three years prior to that in my capacity as SAG Chicago Branch President. Art's passion for advocacy on behalf of his members has been nothing short of impressive, as is his knowledge and practice of the art of communication.

I believe he would be a valuable asset to your program.

A handwritten signature in dark ink, consisting of a large, sweeping flourish that extends to the left, followed by the name "Todd Hisson" written in a cursive, slightly slanted script.

Todd Hisson
